Consensus Picks

The following stocks show the highest degree of strategist overlap and represent the strongest institutional conviction positions.

Tier 1: Universal Consensus (4,000+ New Buyers)

Stock	Thesis	New Capital
Microsoft (MSFT)	Cloud/AI leadership	\$263.5B
Apple (AAPL)	Consumer ecosystem	\$219.9B
Amazon (AMZN)	E-commerce + Cloud	\$169.8B

Tier 2: Strong Consensus (1,000+ New Buyers)

Stock	Thesis	New Capital
NVIDIA (NVDA)	AI chips, few new buyers but massiv	\$80.7B
Eli Lilly (LLY)	GLP-1 obesity drugs	\$79.5B
Taiwan Semi (TSM)	AI chip manufacturing	\$49.0B
Broadcom (AVGO)	AI infrastructure	\$32.0B
Johnson & Johnson (JNJ)	Healthcare stability	Post-Kenvue

Key Insights

1. AI Infrastructure Play: NVIDIA, Broadcom, and Taiwan Semi represent a concentrated bet on AI hardware infrastructure.
2. Healthcare Renaissance: Eli Lilly and J+J show institutional rotation into defensive healthcare with growth catalysts.
3. Big Tech Dominance: Microsoft, Apple, and Amazon remain the core foundational holdings across virtually all major funds.
4. Defensive Rotation: Increased positions in consumer staples (Tyson, Pepsi) and healthcare indicate hedging against market volatility.
5. International Exposure: Appaloosa's China tech bets (Alibaba, PDD, JD) represent a contrarian/value play on beaten-down Chinese equities.

Disclaimer & Methodology

IMPORTANT NOTICE:

This report is for informational purposes only and does not constitute investment advice.
The data presented is compiled from publicly available SEC 13F filings and other open sources.

Methodology:

- Data sourced from SEC EDGAR 13F-HR filings for Q4 2025
- Holdings data represents positions as of December 31, 2025
- AUM figures are estimates based on publicly available information
- Consensus analysis based on new institutional buyers in Q4 2025
- Overlaps calculated from reported 13F filings of major hedge funds

Limitations:

- 13F filings have a 45-day delay from quarter end
- Not all holdings are disclosed (exemptions apply)
- Short positions are not reported in 13F filings
- International holdings may be underrepresented
- Data reflects positions at filing date, not current date

Notable Managers Not Yet Filed (as of report date):

- Berkshire Hathaway (Q2 data used)
- Bridgewater Associates (previous quarter)
- Citadel Advisors (previous quarter)
- Millennium Management
- Two Sigma Investments

This report was generated on May 11, 2026.
