Notes

Data sourced from SEC EDGAR 13F-HR filings for quarter ended June 30, 2026. Whale values are aggregate reported long positions across all filing entities for each manager. Portfolio values are as of the latest available CSV. 13F filings reflect long positions (including shares, calls, and puts where reported) as of the filing date and are not real-time. This report is for informational purposes only and does not constitute investment advice.
